

Public Safety

- The City has opened a coronavirus testing site at Suffolk Downs dedicated to serving first responders, including EMTs, police officers and firefighters.

Transportation and Mobility

- The City has announced changes to its parking enforcement policies, including adjustments to meter parking rules and establishment of pick-up zones for restaurants that are still providing pick-up and delivery service. The Boston Transportation Department provides more information on their [website](#).
- The MBTA is [running reduced service](#) until further notice, encouraging only essential workers to use transit.
